

NPIC/TDS-80/67  
2 June 1967

MEMORANDUM FOR: Director, NPIC

ATTENTION: Chief, Support Staff

SUBJECT: Request for Expenditure of \$7,500 (FY-1964)  
Additional Funds to Complete Contract 974  
with [REDACTED]

25X1A

25X1A

1. The Film Processor Development Program with [REDACTED] was contracted 30 June 1964 and terminated two years later; the cost was [REDACTED]. The "Clean Room" installation resulting from this contract was used as evaluation space for high performance equipment. The original contract called for "restoration costs" at the termination of the contract, 50% of which the government was to provide. Restoration costs to return the space to [REDACTED] has been set at \$15,000.

25X1A

25X1A

2. This action is an additional cost factor specifically spelled out in the contract and is not an overrun. It is therefore requested that \$7,500 from FY 1964 funds be expended to complete final closing action on the contract. The Budget and Finance Branch, NPIC, has affirmed that funds are available.
